Progress report

Name: Sachin Venkatraman Naik

Reg no: 17GAEI6039

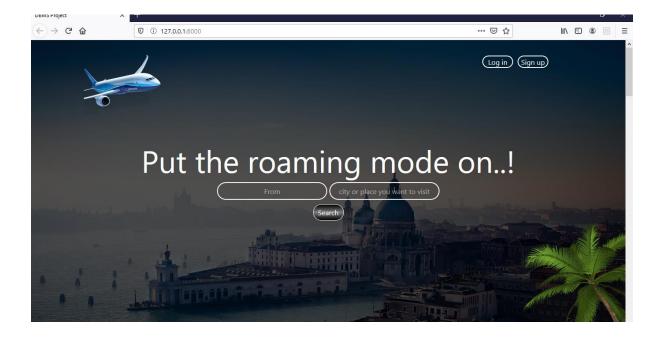

Name: Yashaswini U R

Reg no: 17GAEI6058

Project name: Travel management database

Progress: The frontend design part is completed, it is done using html css and bootstrap, all the pages are made Django compatible (jinja format). And presently we are working on database stuff i.e. MySql database.

I have attached some screen shots of how the project looks
